## THE ROUTES

### Metric Century (67 miles

**1,300 feet of elevation gain):**

The route leaves Linden, the "Cherry Capital of the World", then traverses the quiet back roads of San Joaquin, Stanislaus and Calaveras counties. The towns of Linden, Peters, Farmington, Eugene, Milton, Jenny Lind and Bellota await you. Almond, apple, cherry, peach, pear, plum and walnut orchards abound as do vineyards. Fully stocked rest stops will provide fuel and hydration; you'll enjoy a wonderful lunch midway through the ride and a scrumptious post ride meal catered by **DeVinci's** at the finish.

### Quarter Century (25 miles

**300 feet of elevation gain):**

The route leaves Linden, then passes through the towns of Peters and Bellota in San Joaquin County. Apple, cherry, peach, pear, plum and walnut orchards abound as do vineyards. A fully stocked rest stop will provide fuel and hydration midway through the ride; a scrumptious post ride meal catered by **DeVinci's** will be waiting for you at the finish.

Both routes include pastoral scenery, maps, route sheets, pre-ride tech support by **The Bicycle Café—Lodi, California**, support and gear (SAG) vehicles, awesome volunteers, great rest stops, and a fabulous post ride meal catered by **DeVinci's Delicatessen and Catering Linden**.
